

## Louis XVI Style Lantern

3 500 EUR

Period : 19th century

Condition : Etat d'usage

Material : Bronze

Diameter : 45

Height : 110

### Description

Splendid and large Louis XVI style lantern in bronze with 4 light arms. This beautiful lantern is decorated with a garland of pearls, knots and pompoms, beautiful chiseling of the bronzes. This lantern is in its original condition, the edge of a window is slightly damaged (almost invisible because it is hidden by a bronze garland).  
Napoleon III period ; a French work circa 1880.  
Height = 110 cm
