Description

Here is a nice barrel-shaped terracotta tobacco jar with a lid depicting a Black character in festive attire smoking a cigarette in a New Orleans spirit from the end of the 19th century. It is a work signed Johann Maresch and the model is numbered 3380 which gives you an idea of his prolific work. He was born in what was then called the Austro-Hungarian Empire in the city of Usti Nad Labem, today in the Czech Republic. Therefore he was never German as is unfortunately mentioned everywhere on the Internet. Shipping in France and internationally, contact me for details
