

Little Girl From The Restoration Period

320 EUR

Period : 19th century

Condition : Bon état

Material : Pastel

Width : 48 cm

Height : 58 cm

Description

Portrait of a young girl executed in three pencils: graphite, charcoal and chalk. This portrait emanates a lot of sensitivity. It is highlighted in a gilded frame decorated with palmettes in the corners, from the same period: Restoration period. Some freckles. Period 1830-1840
