

Set Of 9 Limoges Porcelain Coffee Cups, 19th Century

220 EUR

Period : 20th century

Condition : Bon état

Material : Porcelain

Description

Refined coffee service consisting of 9 cups and their matching saucers, in fine white Limoges porcelain, decorated with a gold rim and a gold-painted monogram. Each cup is enhanced with an elegant gold border on the inside and outside of the rim, and adorned with a refined 19th-century-inspired monogram. The saucers are highlighted with a double gold rim. Mark on the reverse: JPL Limoges France (Jean Pouyat), renowned Limoges manufacturer, active in the 19th and early 20th centuries, famous for the quality and finesse of its porcelain. Saucer diameter: 13 cm Cup height: 6.5 cm Set in very good condition, luminous gilding, minimal signs of use. An elegant service, testimony to the refined know-how of Limoges, ideal for collectors or to embellish a reception table.
