

Carved Boxwood Barrel Tap Or Bung

290 EUR

Period : 19th century

Condition : Très bon état

Length : 22cm

Description

Beautiful object of folk art, this carved boxwood barrel tap is in perfect condition, complete with its iron sheet filter. It is decorated with an animal head, perhaps a dog. The patina is superb. I am advertising this object as being from the 19th century, but it may be older. Perfect condition. Total length 22cm. Lots of charm, a beautiful object of curiosity.
