Oval Metal Mirror From The 1970s.

270 EUR

Period : 20th century

Condition : Très bon état

Material : Metal

Width : 47 cm.

Height : 54 cm.

Description

Oval-shaped sunburst mirror from the 1970s with different radii, the larger ones are slightly curved and the smaller ones have been worked into scrolls. The mirror has a cord-like surround like the Chaty mirrors and beads for the part closer to the beveled mirror. One of the large radii at the bottom right has been slightly twisted.
