Description

Antique walnut chest from the second half of the 18th century, Spanish manufacture. This small chest, measuring 61 cm x 32 cm x 32 cm high, was originally used as a travel chest. You can see the dovetails in the corners designed for greater stability. It has wrought iron handles on the sides, original wrought iron hinges and locks, and no key. The piece has been restored in our workshop: stripped and repainted, the interior cleaned.
