

Pair Of Metal Candlesticks Circa 1950 Dlg Touret Workshop Marolles

350 EUR

Period : 20th century

Condition : Etat d'usage

Material : Metal

Length : 38cm

Height : 33cm

Description

Pair of metal candlesticks circa 1950. Very modern design reminiscent of the work of the Marolles workshops run by Jean Touret. Both pieces are signed with a stamp below the letters FMB, probably the initials of the ironworker. Good general condition, traces of wax due to use. Dimensions: Height 33cm Length 38cm
