Description

These cherub heads are from the 18th century, probably a finely carved French or Italian work. They are made of oak. As for the condition, we note classic traces of wear, lack of polychromy in places, missing wooden elements. These cherub heads remain, however, in a very good general condition. Our photos allow you to appreciate the quality of these objects. Please detail the photos. Do not hesitate to zoom in. The photos are an integral part of the description. Dimensions: - for one angel Height: 9 cm Width: 17.5 cm Depth: 4.5 cm - for the other angel Height: 9.2 cm Width: 17.4 cm Depth: 5 cm M3512
