Description

A unique and striking design piece, this coffee table combines the timeless elegance of white marble with the modern touch of integrated LED lighting.The round top, featuring a central star with concentric rings inspired by Captain America's iconic shield, lights up through a remote-controlled system with adjustable intensity, turning the table into a luminous artwork.Its polished stainless steel base, with a solid geometric design, enhances the marble's purity while reflecting the light effects.More than just furniture, this is a true collector's item, perfect for those who appreciate exclusive design pieces blending art, technology, and pop culture.
