2 050 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

Beautiful flower-shaped earrings, crafted in 0.585 yellow gold and silver. A beautiful classic carmine setting, set in its center with synthetic rubies of an intense pink color, weighing a total of 1.70 carats, surrounded by "old" brilliant-cut diamonds of approximately 1.60 carats. Origin: probably Czechoslovakia, first half of the 20th century. Weight: 4.010 g Length with clasp: 23 mm; rosette dimensions: 13 x 12 mm A synthetic ruby means that it has been created by man in a laboratory and has the same chemical and physical properties as a natural ruby. The synthesis of gemstones began in the early 20th century and their intense color has considerably increased in popularity. Very good condition, without any problems.
