### Description

Lovely little liqueur cellar from the second half of the 19th century with orientalist inspiration. Small elephant resting on a base. On its back a small barrel which must have contained liqueur with its tap and two small glasses. Very beautiful patina. Note: The stopper on the barrel and two small glasses are missing. They were probably removed to make the object more aesthetic. Delivery in Belgium, France and internationally. Visible in our 2500m2 showroom at 41 Rue Henri Wafelaerts, 1060 Brussels, Belgium. More information & photos on request.
