

## Pair Of Ebonised Carved Wood And Mirror Consoles

1 850 EUR

Period : 20th century

Condition : Restauré

Material : Glass

Width : 68

Height : 95

Depth : 18

### Description

A lovely pair of carved and ebonised console tables, made in France in the 1940s. Beautifully carved in wood, they are decorated with mirrored pieces. In the Hollywood Regency style, they will bring a touch of subtle glamour to your entrance or reception room. They would also be perfect as bedside tables or under two mirrors in a dressing room.
