Description

Pair of large 19th century gilt bronze lamps with coats of arms and fleurs-de-lis. Very pretty pair made from 19th century andirons in the Renaissance style. Note the presence on the front of very decorative and beautifully defined Minerva heads. Fleur-de-lis around the globes, very original and unusual. Very good condition of the structure and gilding as well as the electrification. Very soft light thanks to the golden reflections. Very nice size, height 68 cm at the top of the lampshade. Possibility of shipping in France and worldwide by secure and insured package with order tracking. Invoice and certificate provided.
