### Description

Table Clock in Boule marquetry  
exceptional Napoleon III period stamped  
Bréguet à PARIS it's Breguet is a luxury watch  
brand founded by Neuchâtel native  
Abraham-Louis Breguet in Paris in 1775. It has  
historically been a symbol of prestige and  
innovation due to its famous clients, including  
those at the courts of Europe, and its founder's  
many watchmaking inventions. Abraham-Louis  
Breguet is credited with the prestigious "Queen of  
Naples" and the invention, among many others, of  
the tourbillon. The company was acquired in 1870  
by the Brown family, who managed it for one  
hundred years. Work very fine marquetry, Beautiful  
interior with crystal windows amazing !!! Crystal is  
original key is ok, revised Dimensions : height : 23  
cm width: 16 cm depth : 13
