### Description

Mushroom lamp in enamelled glass decorated, in circular bands, with stylized red and white flowers, green and blue foliage, yellow background. The rest of the lamp is in acid-etched glass. Vertical signature on the belly, lampshade held by a wrought iron mount, old electrification. Circa 1925. Height. 18 cm. Diam. 14.5 cm. Very good condition. The installation took place on February 15, 1861 in Epinay sur Seine. Between 1904 and 1914, the Leune establishments produced porcelain, medical glassware, trinkets, cups and vases decorated with idyllic and romantic landscapes, as well as birds and flowers, painted with hot-fixed enamel. These decorative productions were affordable and mass-produced. Auguste Heiligenstein was a technical advisor from 1922 to 1926. A specialist in glass
