each sale of old floor tiles, we provide a booklet of installation advice based on 30 years of experience. This type of floor will only have its best effect if the installation follows very precise rules. This floor, if well staged, will offer a light and warm color and a velvet carpet appearance. These small formats, whether 10x10, 11x11, 12x12 or 13x13, are rare and full of charm. We also have stock in 14x14 in a rather orange/red color. Available surface area: 60 to 80 m<sup>2</sup> At the price of EUR75 including tax per m<sup>2</sup> - excluding delivery. We can offer you the possibility of installation by Compagnons du Devoir teams (Installation on which we do not take any margin). Possibility of delivery by our usual transport throughout Europe.
