collections exhibited in the most prestigious museums in the world (the Musée des Arts Décoratifs in Paris, the Victoria and Albert Museum in London, and the Metropolitan Museum of Art in New York). Each piece is a masterpiece, a testament to the excellence of French silverware. The brand is particularly known for its Empire collection, elegant silver pieces inspired by the 19th-century style. The history of Puiforcat silverware is rich and closely linked to that of the city of Paris. The silversmith's shop, founded in 1820, has been run by five generations of the Puiforcat family.
