Description

HERMÈS pays homage to the maritime world with this Clipper men's watch from 1990, two-tone, in steel and plated steel. This model effectively evokes the aesthetic of a boat's porthole. Its steel and plated steel bracelet outlines the brand's signature H. Its white dial is perfectly legible. This watch is equipped with a quartz movement and features a date function. Its glass is made of sapphire. The watch is duly signed and numbered, and its proper functioning is guaranteed by us for one year (except in case of shock or immersion). It comes with its original box and papers. Although designed for men, it is completely unisex in size. Model: CLIPPER
