Description

France / 19th century / cabinet / oak / Rustic /
Antique Magnificent French provincial antique carved oak sideboard or cabinet, date carved at the bottom: 1841. This buffet features two paneled doors with gorgeous hand carved floral decorations. Behind the two doors we'll find one large shelf. With a rounded corner beveled plank top above two frieze drawers. The spectacular original hardware and antique keys are preserved. This beautiful cabinet with its rich history has several old restorations as shown on the pictures as well as stunning patina. This rare to find buffet with two spacious doors that open to reveal ample storage, is perfect for storing away dining essentials, linens, or cherished keepsakes. An exquisite storage solution that will bring character and warmth to your home and will
