Description

Pair of chairs, Tuscany, 16th century Pair of chairs with high backs, carved and highlighted in gold. They are very beautiful and still have their original patina. They are not ideal for everyday use as seating, but are very scenic and decorative. They have undergone conservative restoration. One has a small repaired break. They can be used, but given their age, we recommend using them for decorative purposes. They are delivered with woodworm treatment and wax polish. Tuscany, 1500 Dimensions: height 125 cm; width 49 cm; depth 45 cm
