Description

Machine-made rug - Persian inspiration from the Qom region (Gum). This machine-made rug is a faithful reproduction of the famous Persian rugs from the Qom region, renowned worldwide for their fine patterns and elegant composition. It features a refined floral design centered around a majestic medallion, framed by delicate arabesques and richly worked borders. The harmonious combination of blue, ivory, red, and beige tones gives this rug a traditional yet timeless character, capable of enhancing both classic and contemporary interiors. Thanks to its high-precision machine-made construction, it faithfully reproduces the aesthetics and richness of Persian rugs while offering excellent value for money. Durable, soft, and refined, this rug is an invitation to a journey to the heart of Persian art,
