Description

Antique Napoleon III ebony display cabinet with thuja burl and boxwood inlays. The cabinet was restored in our workshop and lined internally with silk moiré. The sculpted workmanship on the band under the top is very pleasing. The bronze columns are solid, not hollow or sheet metal. This cabinet is suitable for a living room, but also for hallways, given its 37 cm depth. Dimensions: length 170 cm height 108 cm depth 37 cm
