

Old Vosges Spruce Lambert

250 EUR

Signature : Lambert

Period : 19th century

Condition : Très bon état

Length : 60cm

Description

Beautiful musical instrument called Epinette des Vosges. Marked Lambert (1843/1908), a referenced manufacturer of this type of instrument and located in Val d'Ajol. Good general condition, no cracks, nice sound for a novice like me. 4 metal strings, missing an ivory or bone "wheel". An instrument but also a charming object of curiosity. Total length: 60cm
