1 250 EUR

Period : 20th century

Condition : Parfait état

Material : Wool

Length : 275 cm

Width : 164 cm

Description

Magnificent kilim from Bergama / Balıkesir in the northwest of Turkey. The main characteristic of this kilim is the exclusive use of two shades, deep blue and carmine red. Some patterns are highlighted with white cotton edging. The pattern that runs across the central field and seems to be eating its tail is that of the dragon. The shades are dense and saturated, creating a very beautiful depth across the entire surface. Circa 1950
