

A Victorian London Cabinetmaker's Tool Kit, Bearing The Name Ae Wilkinson

330 EUR

Period : 19th century

Condition : Etat d'usage

Description

Lot of 27 London cabinetmaker's carpenter's tools circa 1880-1900 including gouges, saw signed Buck, squares, planes, Schesterman's Sheffield roll rules and miscellaneous. These tools date from the end of the Victorian period, they all belonged to the carpenter named AE Wilkinson, most of the tools are also marked with his name in full, we bought this beautiful set from the family who carefully kept these tools throughout the 20th century. The metal is in good condition but it is time to take care of it in order to preserve them. Delivery possible by chronopost for:
France 40EUR Europe 70EUR Others 120EUR
