

## Triptych Frame In Openwork Gilded Metal - Rococo Style - Early 20th Century

800 EUR

Period : 20th century

Condition : Bon état

Material : Metal

### Description

Charming triptych photographic frame in gilded metal, finely openwork and decorated with Rococo-style scrolls and foliage. The three panels are connected by hinges, allowing it to be presented flat or slightly folded. Ideal for holding three portraits or miniatures, this type of object was very popular at the turn of the 20th century, particularly in bourgeois and elegant interiors.  
Dimensions: Total width: 50 cm Height: 20 cm  
Thickness: 1 cm
