### Description

Serge GAINSBOURG Enderless photograph of Serge Gainsbourg by Nicolas Treatt (1963). Edition of 10 copies. Numbered, stamped, and signed by the beneficiary. Large format print: 50 x 50 cm. Legendary photograph used for the cover of the album "Confidentiel". Never printed by the photographer during his lifetime. In 1963, the meeting with the producer Jacques Canetti led Nicolas Treatt to photograph the main musicians and performers of the Parisian scene. It was during this period that friendships were formed with Serge Gainsbourg, with whom he shared the same Russian culture. The latter then entrusted him with the illustration of his album "Confidentiel" (1964). Recently discovered in the family archives, this photograph has never been revealed. The series from which it comes reveals
