Description

Portrait of an old lady in an academic style by the artist Matkulenska. Signed and dated 1942 (January?). The format of the work is important, and its subject is intriguing insofar as the artist, probably settled in Paris in the 1930s, was able to develop during his career different registers and artistic languages, with less academic proposals than these (see the other works we have by the artist). We see here a very beautiful quality of painting in an academic drawing. The work sold as is presents some cracks and a lack.

Dimensions: 60 x 92 cm (without frame) 75 cm x 106 cm (with frame)
