Description

We present this fantastic large vase, made in Italy, dating back to the early 20th century. The vase is crafted from polychrome glazed ceramic. The captivating decoration draws attention with its magnificent, large flowers. Two large relief figures create a dramatic effect with a three-dimensional decoration: a faun and a young woman reclining on flowers create a playful scene. Look closely at every detail of this vase, and you'll be truly amazed. The vase is unmarked, but its features suggest it was made by the renowned ceramists of Bassano, Italy. This large, dramatic vase would make an ideal addition to an entryway table, living room, or dining room. It would become the focal point of the room, admired by all your guests. Add this vase to your prized artistic ceramic collection. Note: The vase
