Description

We offer this antique Italian Cupboard dating back to the 19th century at a great price. Crafted from solid walnut, its structure is sturdy and durable, making it suitable for both classic and contemporary interiors. This Cupboard features a simple, linear design free of excessive ornamentation that blends with a variety of furnishing styles, but is particularly suited to country or mountain homes, where its rustic look can blend in perfectly. From a previous private property, it is in excellent condition, likely having been restored. Featuring a double opening at the front and top, the interior is lined with blue fabric. Furthermore, the lower part features two practical drawers for added storage. The Cupboard, a typical piece of furniture that has characterized Italian kitchens throughout history, can now find
