Description

Allegorical scene of spring, signed by the artist Matkulenska. Dated 1947. See the allegory of autumn that we also presented on our seller page. Very little information circulates about this artist, active in Paris from the 1930s. In different languages, he borrows from the currents that his time goes through (pointillism, naive art, surrealism, post-war) often representing dreamlike or folkloric universes. The work is in good condition despite some foxing. Dimensions: 100 cm x 81 cm (without frame) 110 x 91 cm (with frame).
