

Modernist Coffee Table - 50s Design - France

380 EUR

Signature : Lurcy

Period : 20th century

Condition : Très bon état

Material : Enamel

Description

Elegant modernist coffee table with enamelled lava stone top, French work from the 50s. Beautiful polychrome geometric abstraction. Signature on the top, not identified for the moment. It is probably a production of a workshop in Auvergne near Lurcy, according to the traditional technique of enamel on lava (from Volvic). In very good condition, a mark on the top which seems to me to be original (see photo). Metal structure and 'hairpin' legs. 60 cm x 40 cm for the top x 42 cm high.
