Description

Napoleon 111 Cross, set with Bohemian Garnets in gilded metal. Bohemian Garnets come from the Mines of former Bohemia, today the Czech Republic. Very popular at the time of Napoleon 111, they were frequently used in sentimental jewelry. This stone was associated with love, passion and vitality. It is also said that they bring confidence and courage. One stone is missing, difficult to see.Poids 4.5gLength 6.3cmWidth 3.4cmComes with a Guarantee Invoice and in a new box. Posts free in France.
