Description

Sensational Gajeri kilim from Uzbekistan. Gajeri kilims have the particularity of being both woven and embroidered in successive bands. The work is extremely fine. The piece is supple and surprisingly light. Made exclusively of natural plant shades, this kilim offers multiple bright and deep tones. 2 fabric bands have been sewn on each edge to ensure its strength. Very good condition. Rather rare, elegant and very decorative piece. Ideal for positioning given its very compact dimensions. Circa 1900. Dim: 200 x 145 cm. Laurent. Beauty of Kilims
