### Description

This rolling table has a nice variation, we can think of the Bagues or Ramsay house. Handles that go back down, very interesting. We do not assure that it is Bagues or Ramsay but this table makes us strongly think of it. It is a bamboo model, the bottom tray is missing. We report friction and wear of the gilding on the entire serving trolley, pitting on the gilding, blackened gilding on the uprights, micro-scratches and friction on the glass top. We will not deliver by post for this type of item too fragile but we work with carriers please contact us for a quote. Sold as is uncleaned. For the condition, please detail the photos. Do not hesitate to zoom. The photos are an integral part of the description. Dimensions: Total height: 71 cm Width: 71 cm Depth: 41 cm
