Description

[Arthur RIMBAUD] - Georg EISLER
(1928.1998) Engraving - Numbered 28/95.
Superb and rare engraved portrait of the poet depicted as a bust, with a piercing gaze. Inspired by the legendary photograph by Etienne Carjat, taken in October 1871, Eisler delivers here a very sensitive and unusual representation of the man with the soles of the wind. View format: 9.50 x 14.50 cm, on a quarto sheet. Titled and signed in the margin by the Austrian artist.
