

Chapel Bell / Manor House From The Late 19th Century, Originating From Southern Brittany

280 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Description

Attractive bronze bell, from a chapel or manor house entrance, originating from southern Brittany, in very good condition, well preserved, rings perfectly, sold without a yoke. This bell weighs 9.9 kg. No visible markings. Nice thickness. Originally painted black to protect it from the sea air, it has retained most of this protection. Shipping: EUR35 (parcels over 10 kg), Colissimo registered with signature on delivery, mainland France only, other destinations, please contact me. Translated with DeepL.com (free version)
