### Description

Six knives with case. Silver (.800), metal, textile, etc. Possibly European, late 19th century. With contrast marks. A set of six knives made of 800-thousandths silver in their original color and silver-plated for the blade. They are housed in a rectangular case with a padded interior and clasps on the front. The handle decoration is reminiscent of 19th-century European models, particularly the combination of scrolled blades and flowers.
