Description

Elegant vase signed Muller Frères Lunéville, ovoid in shape with a flared neck. Made of multi-layered acid-etched glass, it features a superb decoration in warm, contrasting tones. The scene depicts a Mediterranean landscape with umbrella pines standing out against a backdrop of hills, evoking the light of the South. This finely crafted naturalistic decoration perfectly illustrates the aesthetic developed by the Muller workshops, in line with the Nancy School. The signature 'Muller Frères Lunéville' is engraved in the decoration. Condition: Very good overall condition, no cracks or chips. Some signs of wear consistent with age, visible in the photos.
