

Still Life, Oil On Canvas, 20th Century

650 EUR

Period : 20th century

Condition : Très bon état

Material : Oil painting

Description

Painting depicting a still life composed of game birds, posed in front of a dark background with deep tones. The scene highlights a duck, a pheasant, a partridge, accompanied by some plant elements such as a squash and apples. The chiaroscuro work accentuates the contrast between the materials, offering a reading that is both direct and evocative. Oil on canvas mounted on a stretcher, framed in a simple gilded molding. The work evokes the classical tradition of Flemish and French still lifes while being part of a 20th-century aesthetic. frame 80x66canvas 49x65
