Description

Old library under the eaves. Quality craftsmanship probably dating from the 1950s. Set consisting of 10 pairs of solid oak doors with numerous adjustable shelves on racks and metal pegs. The doors and fronts are easily reusable. The whole was dismantled cleanly, but as it is a custom installation adapted to the eaves of the room, the tops and boxes probably need to be reworked. The whole can be reused to make a bookcase, cupboards, ... dimensions: 1 door = 42.5 x 103 cm Approximately 2 x 10 meters of possible storage. EUR1500 including VAT per set (doors + fronts + pilasters + shelves + plinths) to take away as is VAT recoverable delivery - shipping possible on estimate adaptations, arrangements possible on estimate
