### Description

Jacquard Silk Fragment with Floral Decoration - Prestige Vintage Superb fragment of jacquard silk with a rich polychrome floral decoration. The light, very fresh background highlights the refined brilliance of the large stylized flowers in pink and salmon shades, enhanced by sinuous soft green and deep green foliage. A few yellow and blue highlights provide a subtle contrast, giving the fabric a harmonious elegance. This fabric is characteristic of quality decorative silks, where the technical mastery of jacquard weaving allows the creation of ample and refined compositions. The design, both naturalistic and ornamental, evokes the floral motifs of the 19th century Lyonnaise tradition, often prized for the furnishing of bourgeois and aristocratic homes. Large blooming flowers with delicately shaded
