Description

Superb Murano glass sculpture representing a stylized fish, mounted on a base forming a wave. Work of great finesse, combining transparency and play of colors with filigree delicately integrated into the mass. Original label under the base attesting to the authenticity of the piece. In very good condition, without chips or cracks. A beautiful decorative piece from the 70s-80s, both elegant and dynamic, ideal for a Murano glass collection or as a refined element in a contemporary or classic interior.
