### Description

An elegant pair of walnut flame bedside tables from the Charles X period (1820), defined by harmonious lines and refined proportions. Both pieces are in excellent overall condition, requiring only very slight restoration -- a testament to their authenticity and fine preservation. Each bedside table measures 48 x 34 x h80 cm, with ideal proportions for versatile and decorative use.

Quality materials and timeless charm

These bedside tables stand out for the beauty of the walnut flame, capable of bringing warmth and elegance to any interior. Moreover, their solid structure and refined finishes reflect the mastery of 19th-century cabinetmakers. Therefore, each surface showcases not only the quality of the material but also the refined taste characteristic of Charles X style.

### The value of Charles X style

The Charles X style is defined by sober elegance, where simple yet refined forms are combined with perfect proportions. Indeed, this pair of bedside tables perfectly embodies that philosophy, offering a balanced and functional design. Consequently, they are ideal for both classic and modern spaces seeking authenticity.

### A safe and lasting investment

This pair is not only an elegant furnishing accessory but also a long-term investment. In fact, original and well-preserved furniture from the Charles X period retains and increases its value over time. Furthermore, thanks to their compact size and versatility, they can easily fit into different settings, from living rooms to bedrooms. Thus, acquiring them means adding to your collection a piece that combines practicality and historical value.

### A rare opportunity

Authentic pairs of antique bedside tables in good condition are increasingly difficult to find. For this reason, this offer represents a rare opportunity for collectors, connoisseurs, and lovers of antiques. Their presence instantly enhances any environment, bringing elegance and sobriety.
