

Pair Of Gothic Style Stools In Carved And Openwork Oak, To Be Restored

650 EUR

Period : 19th century

Condition : Prévoir restauration

Material : Oak

Height : 48cm

Description

Very pretty pair of Gothic style stools in dark oak, carved and openwork. I note a significant lack in the openwork decoration on one of the stools (see photos) otherwise the whole is well preserved. Dimensions to come Contact me for delivery in France and worldwide.
