### Description

A men's signet ring... In solid silver... Checked with a small neck brace and 925... That is 925/1000... In front of the 925 hallmark there is an A. and a C in capital letters... Are these the initials of the manufacturer, I don't know...? And there is also a partly erased goldsmith's hallmark...! From the 1980s... And a fairly large cabochon sapphire... I would research the origin of the stone if I can and try to get the number of carats...! In perfect condition... The finger size is 52/53... The styling of the setting is really pretty... There is a manufacturer's mark that is too erased to know who it is from...! But for me from a big house... Because everything is of quality...! Weight ... 14 gr 58
