### Description

An original piece of furniture in its design!  
Combining the bottom of a console table with the top of a chest of drawers. Resting on four legs, the curved base forms a shelf and receives two crosspieces topped with a three-drawer cabinet. Two open with pull knobs, the third has a lock with its period key. The drawer placed under the solid walnut top is ogee-shaped like the apron. The back is also in waxed walnut. The space between the shelf and the cabinet is 37cm. Each drawer measures 9cm high and 28cm deep.
