Description

Elegant pair of finely chiseled gilt bronze wall sconces, decorated with intertwined ribbons and passementerie tassels. Each sconce features two twisted light arms, finished with carefully crafted sockets and bobèches. 19th-century French work, in the Louis XVI neoclassical style. The well-preserved gilding offers a beautiful, warm, even patina. Very good overall condition, even gilding with slight signs of use, requires cleaning. This large, refined and decorative pair will bring a touch of classic elegance to any interior, whether antique or contemporary.
