Description
-------------

Gilt bronze chandelier with cherub decoration. Elegant Louis XV style chandelier. In gilt and patinated bronze, suspended by a link chain. In the center, a finely chiseled winged cherub, holding a floral garland, serves as a focal point. The sinuous arms, adorned with foliage and delicate painted porcelain flowers, support three lights. The glass tulips, shaped like flowers, diffuse a warm light and highlight the refinement of the whole. This chandelier has been completely restored.
